

Edgewood Primary School

Building skills and values for life

Friday, 1 April 2022

Dear parents/carers,

As we come to the end of another busy term I would like to thank you all for your support in what has once again been a trying term with Covid issues.

Today marks the first day since early 2020 when there is not free testing for suspected coronavirus infections. The advice on managing infections now talks about children with high temperatures and other Covid symptoms staying off school for at least 3 days (or until they do not have symptoms if longer than three days) or for three days after a positive test result if you take a test.

If there is Covid in the household, children may come to school if they do not show any symptoms but must be kept at home if they show any symptoms.

We will be reviewing all the various measures we have had in place that have helped us keep cases relatively low over the next term. Some of these have had significant positive impact on the school and we will let you know any changes to current practice well in advance of any changes so you will have time to adjust.

With rates as high as they currently are in our school community I would ask you all to please remain cautious and watchful and, if you suspect you or a member of your family has Covid 19 please do not send them into school with symptoms.

Many thanks,

Mr Seeley

Head Teacher

Weekly Class Achievers

On Tuesday 19th April, we will be celebrating the achievements of the following children for being this half-term achievers.

Nursey & Reception		Years 1 & 2		Years 3 & 4		Years 5 & 6	
<u>Rainbow</u>	Baycee	<u>Yellow</u>	Freddie	<u>Verde</u>	Emily H	<u>Azul</u>	Madison
<u>Red</u>	Finley	<u>Blue</u>	Lacey-Mae	<u>Amarillo</u>	Austin	<u>Morado</u>	Noah
<u>Green</u>	Rory	<u>Orange</u>	Moez	<u>Rosa</u>	Katie	<u>Rojo</u>	Lexie

I am sure you will join me in congratulating the children above on their amazing effort and success this half term.

Christchurch Road, Hucknall, Nottinghamshire, NG15 6HX

Sports News

This week has seen a return of both the boys and girl's football teams.

On Monday, the girls travelled away to Kirkby Woodhouse in the Cup and after a really determined performance ran out 3-1 winners. Goals from: Freya, Daisy L & Brooke with a Player of the Match performance from Ellie. The result sees the girls to progress to the quarter-finals with a home time against Orchard Primary School - date to be confirmed after Easter.

The boys also returned to league action with two games this week. The team featured two Year 4's for the first time this year with both Isaac C and Deacon making their debuts.

Croft were the visitors on Tuesday and despite feeling as if we should have won the game we had to settle for a point despite being the dominant side throughout. Isaac scored on debut in the 1-1 draw and was named Player of the Match.

Thursday saw us make the short trip across Hucknall to Holy Cross and despite another strong showing we came away with a 2-1 loss with Deacon scoring his first goal for the school. Albie put in a fantastic performance in the heart of defence with him earning the Player of the Match award.

Both teams have represented the school phenomenally this week and we are all very proud of their efforts. Thank you to the parents and members of the school community that turned out to support the teams this week - it's very much appreciated.

Every School Day Counts

Attend today, achieve for a lifetime!

**Congratulations to Verde Class
with the best weekly attendance
of 95.42%**

Children's University

We are pleased to announce that Year 5 & 6 have recently enrolled with the Children's University linked to Nottingham Trent University. We have been involved with community outreach work with Nottingham Trent for several years now, and this is the next step in our developing link with them.

As part of The Children's University, pupils are required to demonstrate participation and learning in a range of activities out of school. The attached information gives some ideas for activities for children to try while on their Easter holiday.

Each activity will count towards a stamp in their 'Passport to Learning', which is a record of children's learning journey. Initially, we are working towards bronze, silver and gold Awards for 30, 65 and 100 stamps.

Other ideas could be writing about a visit to a zoo, farm or gallery, or completing a work book linked to a visitor attraction such as a castle or museum. Please record each activity either with photos, writing or upload to Seesaw.

Whatever your child chooses to do, enjoy learning new things over the Easter break.

Children's University Easter Challenge!

Get designing!

Design a vehicle that will transport a hard boiled egg safely from one point to another – you could test out your design by building it out of recycling, card or Lego

Get writing!

Pretend you are the Easter Bunny and write a diary entry about the disastrous adventure they had delivering Easter Eggs. Maybe they woke up late and their Bunny car wouldn't start!

Get curious!

How do other countries and cultures celebrate Easter? Research and create a fact sheet of your findings to present to your household

5 new things to do this week!

Each activity is worth 1 credit. To get a stamp code for *Children's University Online* email contactus@childrensuniversity.co.uk with evidence - this could be a photograph, video, a work sheet, or writing about what you did! All activities require adult supervision. The supervising adult is expected to manage all activity risk.

Get baking!

Make something delicious to share with your household. Click the link below for lots of tasty inspiration

<https://tinyurl.com/235u83rm>

Get active!

Get outside and complete these Easter themed challenges from Active Leaders, there are three to choose from. Have fun!
