Newsletter

Thankfully the weather held off for our Sports Morning and all the children had a great time. Well done to team 19! We are keeping our fingers crossed for nice weather on Saturday for the school Summer Fair. We hope you can come and show your support. Have a great weekend everyone.

Attendance

Congratulations to Rosa class for a weekly attendance of 98%

Please remember to report absences for children daily – even if we have sent them home the day before. Thank you.

School meals

If your child is moving into Year 3 in September, we want to remind you that you will have to pay for school meals (at £2.50 per day.). If you have any questions, please contact the school office.

If you are in receipt of any of these benefits below you could be eligible for Pupil Premium Funding.

Not only will your child then receive free school meals and free milk but school also receives funding which we use on a variety of support strategies.

You can register your child for Pupil Premium Funding if you get any of these benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Fruit in lunchboxes.

It is great to see so many children with fruit in their packed lunches. However, we would like to remind parents to please cut any grapes you send to school in half length ways to prevent children from choking.

School games day

A huge well done and "congratulations" to all of the children for competing in their School Games Day on Tuesday morning. The weather stayed kind and the children had a great time.

The day doesn't run without the superb leadership shown by our Year 6 pupils so 'Thank you' for your efforts and superb organisational skills on show.

Team 19 (Uganda) were very deserving champions, and they can be really proud of their determination on the day. The House winners were Shakespeare - again a huge congratulations to them.

Safety reminder for parents

We have noticed recently that several children are arriving at the gates without an adult in sight. Please be mindful of where your children are at all times when coming to school, especially as there is building work being carried out on site. Thankfully all of these children know to come into school and haven't wandered off further.

Serious incidents can happen in a split second and they can be avoided by being aware of your child's whereabouts, especially around traffic. Thank you.

Neurodiversity Survey – only 7 days left to respond!

In September 2024, our school will be participating in the Partnership for Inclusion of Neurodiversity in Schools Project (PINS), closely supported by the Nottinghamshire Parent Carer forum (PCF). Through collaboration, the project will bring health and education specialists and expert parent carers into our school to provide training to improve outcomes for our children.

To support preparations for this project we would be very grateful if you could complete the survey below. The parent carer survey has been developed nationally and is designed to gather insights from parents and carers of children attending the schools involved in the PINS project. The information collected will help to understand the current strengths and identify potential areas for improvement within the school environment. The survey intentionally covers broad aspects of school life, parent carers' experiences, and their views on their child's experience at school.

Our school will receive an overview of the results, however, please be assured feedback given is completely anonymised. The survey will be open to ALL parent carer response from 28th June – 12th July. Here is the survey link: Parent Carer Survey

Summer Reading Challenge 2024 in Inspire Nottinghamshire Libraries

Summer Reading Challenge 2024, Marvellous Makers at Inspire libraries
6 July - 1 September

Libraries in Nottinghamshire are looking forward to a summer filled with reading and creativity as the Summer Reading Challenge returns this July. Produced by The Reading Agency and run in libraries across the country, the Summer Reading Challenge is a brilliant way to maintain children's reading enthusiasm throughout the summer break.

Children are challenged to read six library books over the summer collecting rewards ...including smelly stickers.... along the way. Every child who completes the challenge will receive a certificate and medal. Children choose the books they want to read; story books, fact books, poetry, joke books –all reading counts!

This year children are invited to join the Marvellous Makers who are busy getting creative for a big festival...but the objects they need have mysteriously disappeared. By reading books children will help our creative friends find the objects they need to complete their creations.

Marvellous Makers is running in all Inspire libraries until Sunday 1 September, for children aged 4 – 11. It's completely FREE to take part. Ask in your local library any time after Saturday 6th July to sign up.

Find out more at www.inspireculture.org.uk/summerreadingchallenge

Join the Marvellous Makers for the FREE Summer Reading Challenge 2024 and earn rewards for reading. Ask in your library any time from 6th July to sign up.
