Scholastic Book Fair

We would like to say a massive 'thank you' to all of our families who attended the book fair in school last week. Due to your support, we have earned over 120 new books for our reading area - this has saved school over £500!

Class photos

We have now seen the class photos which were taken in school recently. Any parents who have pre-registered their details with Carmel Jane will receive an email shortly to confirm the photos are ready to view and purchase.

If you haven't done so already, please click on the link below or visit www.carmeljanesshop.co.uk and enter the following code: JR4AX6WNGD – you will need to register with your child's full school register name.

Request from Mrs Norgate

If anyone has any spare working pedometers they are willing to donate or loan to school, I would be really grateful. Thank you.

Sunhat and suncream reminder

With the temperatures finally starting to increase, please may we remind you to send children with suncream & sun hats. Please make sure these are labelled with your child's name.

Holiday Activity and Food programme (HAF)

Nottinghamshire County Council will start to take bookings for the 2024 Holiday Activities and Food programme (HAF) on Monday 1st July, ready for the summer holidays. HAF provides FUNDED activities and food for children receiving benefits related free school meals. These programmes run during the following school holidays: spring (Easter), summer, autumn (October) and Christmas holidays.

Children aged between 5 – 16 years (Reception aged 4 and year 11 inclusive) in receipt of benefits related free school meals are eligible for free holiday activities and food. This is not a food voucher scheme; all activities happen face to face.

Holiday activity listings will be live from Monday 1st July 2024 here: [Activities and venues | Nottinghamshire County Council](#)

Get involved this Summer

Nottinghamshire 2024

Plus so much more

Are you claiming benefits-related free school meals and looking for holiday clubs this summer?

The HAF programme supports the wellbeing of children aged between 5 to 16 years focussing on physical and mental wellbeing by providing a variety of activities during school holidays. Included in each session is a meal, this may be breakfast or lunch depending on the programme offered.

The aim of the Nottinghamshire Holiday Activities and Food programme is to support children to eat healthily, keep active and meet friends. We also support families to access help and advice when needed.

Eligible children and young people will be able to access up to 24 days holiday activity each year.

The programme offer is wide and varied. Current activities include:

- multisports
- dance
- drama
- craft sessions
- virtual reality
- activity days
- high ropes
- forest school
- cooking with children and families.

Providers are DBS checked and Ofsted registered where required. There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.
