I am sure you will join me in congratulating the children above on their amazing effort and success this week.

Year 5 & 6 Residential to York

This week, some of our year 5 & 6 children have been on the school residential to York. The children have been very well accommodated and fed by the YMCA York city centre. They have enjoyed trips to York Minster and the Jorvik centre white. They have learnt the story of chocolate, with a visit to a chocolate factory. They even went on an archaeological adventure and became trainee diggers looking for pieces of buried history. There was also a surprise visit from Mrs Adamson on Wednesday. On the way home from their jam-packed week, they stopped off at the National Mining Museum, where they discovered what life was like for many of our own fathers, uncles and grandfathers working down the mines.

Here are a selection of photo's showing the great activities and showing what fun they have had. More can be found on the school website, Twitter and Facebook pages.

I think a long soak in the bath and an early night will be in order for most of them tonight.

Hot Weather

As we have experienced some hot weather this week, it feels like the perfect time to remind parents and carers to ensure children have water bottles, hats and suntan lotion in school on hot days. Children will re-fill water bottles and re-apply suntan lotion when necessary.

Tilly The Therapy Dog

As some of you are aware, we had Tilly a therapy dog, come into school to work with selected children earlier in the academic year. On Friday 1st July, Tilly will be visiting the school again and joining in our whole school assembly. Many children have already seen Tilly around school, however, should you have any concerns about your child and Tilly, please make a member of staff aware.

Edgewood Library

Please be reminded that the Library at Edgewood has re-opened for 2 afternoons a week. The library is now open on a Wednesday afternoon between 12.30-4.45pm and a Friday afternoon between 12.30-4.30. If you are not a member of the library, please come along and join. There are many services that community libraries offer: not just the loaning of books.

American Independence Day

We have an American Independence Day food themed day on Monday 4th July. You can order this meal for your child using your IPayimpact log in. Please see the menu below. Please order before Sunday 3rd July.
