Newsletter

It has been lovely seeing the children with their sun hats on enjoying the beautiful weather we have had this week. Let's hope it continues into next week for our School Games day on Tuesday 2nd July. The school gates will be open for parents to watch the games at 9am and will be locked again at 9.30am. We are looking forward to welcoming you all into school to enjoy our games day with us.

Attendance

Congratulations to Orange class for a weekly attendance of 98.67 %

Please remember to report absences for children daily – even if we have sent them home the day before. Thank you.

Arrangements for drop off and pick up times

Can we please remind everyone that adults are not permitted on the school playground when dropping off and picking up children at the start and end of the school day. These arrangements are a key part in keeping all of our children safe and giving them a calm, measured and ordered start to the day so that they make the most of their learning time in school. Adults dropping off children in Rainbow, Red and Green classes are allowed to go as far as the classroom door of those classrooms but no adults are permitted beyond the small wooden gate at the top end of the reception class outdoor area. If you feel you have a particular need to go beyond that point, please ask any available members of staff who will be more than happy to help you.

School Neurodiversity

In September 2024, our school will be participating in the Partnership for Inclusion of Neurodiversity in Schools Project (PINS), closely supported by the Nottinghamshire Parent Carer forum (PCF). Through collaboration, the project will bring health and education specialists and expert parent carers into our school to provide training to improve outcomes for our children.

To support preparations for this project we would be very grateful if you could complete the survey below. The parent carer survey has been developed nationally and is designed to gather insights from parents and carers of children attending the schools involved in the PINS project. The information collected will help to understand the current strengths and identify potential areas for improvement within the school environment. The survey intentionally covers broad aspects of school life, parent carers' experiences, and their views on their child's experience at school.

Our school will receive an overview of the results, however, please be assured feedback given is completely anonymised. The survey will be open to ALL parent carer response from 28th June – 12th July.

Holiday Activity and Food programme (HAF)

Nottinghamshire County Council will start to take bookings for the 2024 Holiday Activities and Food programme (HAF) on Monday 1st July, ready for the summer holidays. HAF provides FUNDED activities and food for children receiving benefits related free school meals. These programmes run during the following school holidays: spring (Easter), summer, autumn (October) and Christmas holidays.

Children aged between 5 – 16 years (Reception aged 4 and year 11 inclusive) in receipt of benefits related free school meals are eligible for free holiday activities and food. This is not a food voucher scheme; all activities happen face to face.

Holiday activity listings will be live from Monday 1st July 2024 here: [Activities and venues | Nottinghamshire County Council](#)

Holiday activities and food

Get involved this **Summer**
Nottinghamshire 2024

Plus so much more

Are you claiming benefits-related free school meals and looking for holiday clubs this summer?

The HAF programme supports the wellbeing of children aged between 5 to 16 years focussing on physical and mental wellbeing by providing a variety of activities during school holidays. Included in each session is a meal, this may be breakfast or lunch depending on the programme offered.

The aim of the Nottinghamshire Holiday Activities and Food programme is to support children to eat healthily, keep active and meet friends. We also support families to access help and advice when needed.

Eligible children and young people will be able to access up to 24 days holiday activity each year.

The programme offer is wide and varied. Current activities include:

- multisports
- dance
- drama
- craft sessions
- virtual reality
- activity days
- high ropes
- forest school
- cooking with children and families.

Providers are DBS checked and Ofsted registered where required. There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.

How to book places on the HAF Nottinghamshire programme

To book places, you will need a unique HAF code, which can be requested here:
