

Edgewood Primary School

Building skills and values for life

Individual photos - September 2022

The individual photographs taken of your child on 20th September are now ready to order.

As school is only sent one paper copy of the photo proofs per child, we are sending this letter to check if any families need additional codes sending to parents who won't have access to the paper copy.

Please note these codes are also printed on the paper copies so **you do not need to request the code from us if you will get, or be able to see, the paper copy.**

Please remember you are able to share the code with grandparents, aunts and uncles if you wish, so that they can have a look before you place your order.

The paper versions will be sent home with your child on Monday, 3rd October.

If you do require the code sending out please email us by 12pm on Monday 3rd October and we will send the codes out that afternoon. If you miss this deadline, school will no longer have access to the codes should you require them.

Please email secure@edgewood.notts.sch.uk with your name, the email address you wish the codes to be sent to, your child's name and class. If you have more than one child please list them all on the same email including each child's full name and class.

Please note we can only send photo codes to people with parental responsibility.

All the information above must be included in the email to ensure we are able to send the correct codes to you. Emails to different addresses or missing part of the information, may result in the codes not being sent to you.

Orders must be placed through Jane Stapleton Photography and further details are available on their website. Please note school cannot accept any orders. For any queries please contact Jane Stapleton Photography.

Yours faithfully,

Ed Seeley,
Headteacher
