Friday, 26 February 2021

Dear parents,

Due to the ongoing pandemic, the Department for Education are still currently advising that we do not go on any school trips.

This also includes overnight, residential trips.

We have spoken with Kingswood and they have agreed to reschedule our trip to 5th to 9th July 2021.

We were offered this date or to move it to our usual slot in the autumn but we did not want this year's Year 6 missing out on this trip if we can possibly avoid it.

Obviously, there is still a chance that the trip will not be able to go ahead on that date. If we are forced to cancel the trip any and all money you have paid, including the deposit, will be refunded to you.

When we get nearer the time we will have the usual pre-meeting (probably online via Teams) and share all the information your child will need to have an amazing week.

Yours faithfully,

Ed Seeley,

Headteacher
